

*'We welcome everyone into our community in order to live, love and learn together in the light and example of Christ.'*

St Clare's is a school of love and hope. We believe that Catholic Education develops every child, enabling them to reach their full potential, which leads to their life-long journey guided by the spirit and presence of Christ.

Each journey is unique as it puts all learning and teaching in a Catholic moral context challenging and supporting children to develop in mind, body and spirit. The role of a Catholic school is to help everyone in the school community to discover the true value and dignity of each and every human being.

St Clare's focuses on the education of the whole child. It is centred on Gospel values and reflecting on the teaching of the Catholic Church. Hence, the formation of each person is regarded as being as important as the information which is transmitted through the teaching offered.

Parents are the first educators of their child in faith and a strong home-school link is fundamental in supporting the school in its mission. Together, we provide support for the faith community, helping to form a Christian conscience, and offer help and support in our wider community.
